## LOCAL RULES

1. Non-paved footpaths, sheep fences, stone walls, and reverted bunker faces form an integral part of the course from which no relief is available.
2. All Bridges leading over penalty areas are deemed to be part of the penalty area.
3. A ball is out of bounds when it comes to rest beyond any white stakes, boundary fences and/or white lines. The paved surrounds of the clubhouse are also considered "out of bounds".
4. Red penalty areas are defined as follows:
  - a) Identified by wood/brown stake with red ribbon paint.
  - b) The edges of the penalty area are defined by lines or by the grass edge and not 'stake to stake'.
  - c) For stone/rock ditches, the outside edge defines the edge of the penalty area.

All fairway measurements are measured in meters to the front of the green

"There is no golf like links golf. It's the finest challenge golf has to offer. To be successful in links golf, you have to enjoy adversity. When you think of the best golf tournament in the world, The Open "British Open", you cannot win if you ever feel sorry for yourself. One day you play a hole, and a 140 meter shot is a pitching wedge and the next day, the same shot is a four-iron. Yardage is irrelevant. It requires an instinct that other formats of golf do not. The best way to sum it up is to "trust instinct to the end though it renders no reason"

-Mr. Gary Player
